(Special to The Herald.)

Ogden, June 11.—When hits were needed today's game for the Maroons. The batting rally by the players from the Capital City was a great surprise to the local team, who were unable to connect with the hard hit ball hammered in every direction. Manager Christie carried off the honors for his team in this series, when he hit a three-bagger, two-bagger and single, out of five times up. Nash and Thomas were the opening batsmen, and the latter had slightly the better of the argument. There was a hard dust storm blowing over the diamond at greater part of the game, which was probably responsible for the few errors that were made. At third played a sacrifice for the 10th time, considering that the dust was blowing in his face, he hit the ball at the time. He had six assists out of the four-ten made by him, without an error. FACTS FOR THE FANS.

Salt Lake, June 11.—The game between the Maroons and the Capital City was held today at Walker's field.

Stolen bases—Hansen and Hansen. Bases on balls—Hansen, Whiting, Christie, Fulmer, Byrnes, and Thomas. Struck out—Cook, Spaulding, (2), Egan, (2), Thomas, Hansen, Fulmer, (2), Clark, Spillman, Nash. (2). Sacrifice hits—Mahoney. Time—2:15. Umpire—Dutch.

Manager Christie seems to be getting in the form by hitting the ball. He came to Salt Lake. It is known that he has been in the city for some time. He is still a little out of the game, but his true form in base running, but he expects to regain his spring before another week passes.

"Mickey" Spaulding has not played in his regular position since he joined the Salt Lake team. At the time he quit the Maroons and went to the Lagoons he was considered one of the best hitters on the team and the fans will be glad to see him again in line.

Hansen had a great appetite for foul flies yesterday. He kept a crack at them all day long. He hit the ball and he knocked over left field fence.

Egan started the fireworks yesterday. He was the first man up and hit the first ball pitched against him. He was unable to score, going out on Christie's grounder to Fulmer. He hit was the longest made to the Glenwood diamond this year.

Marshall made a great drive trying to stop Thomas' hit to the left field. He was given an out on what looked good to a two-bagger.

Billy Dutch again secured a great game last yesterday. Dutch is all right if he only keeps himself in condition.

Boise and Caldwell are anxious to form an Idaho-Utah baseball league for the purpose of the season. The Idaho league, organized at the beginning of this year, with Emmett, Nampa, Caldwell and Boise as members, has disbanded on account of the weak teams in Nampa and Emmett, and now Caldwell and Boise are left with strong aggregations but no one to play with. The Idaho team think that if a good rate could be secured from the Short Line, the team could play Boise, Caldwell, Salt Lake and Ogden, could make a very good team. They are paying venture. Among the players in the two Idaho teams who are well known to local fans are: Dwyer and Kelly, all of them having played here last year. The manager is now under consideration by Managers Binford and Christie, who will take the matter up with the two teams and see what can be done. Manager Christie says he is willing to play exhibition games with both teams if they care to come to Salt Lake and take their chances.
